Reading comprehension Exercises

(IMES-SP)

Texto para as questões 1 a 3:

Mind your language

Learning a new language is something most people, especially business travelers, always plan to do but seldom find the time. To encourage you to order a cappuccino confidently in Rome or a plate of sushi with style in Tokyo, language learning company EuroTalk is giving 25 of our readers the chance to win language CDs teaching Spanish, French, German, Italian or Japanese at basic, intermediate or advanced levels.

A highlight of the CDs is the games and the quizzes section which allows you fully absorb the language while having fun. Don't worry about starting with these – you may be surprised at how many you get right, even when you only know a few basic words.

Another important aspect of the CDs is the recording feature. This allows you to hear and compare your voice with a variety of native speakers. Mimic the actors and see how rewarding learning a language can be.

Reading comprehension Exercises

On entering the competition, please state which language and level you are interest in. In addition to the 25 winners, all readers are offered a \$5 discount off the purchase of a CD in a choice of 80 different languages. Telephone 0800 018 8838 quoting Business Traveller magazine.
