Escola Sem Muros: Em Casa Também se Aprende

Língua Inglesa

Dear Students

Aqui é o professor Nicolás Bessa! Tenho certeza de que alguns de vocês já foram meus “students” em algumas escolas municipais aqui de Taubaté! Hoje não vou pedir mapa de sala ou ainda dizer “separa esse grupinho aí do fundo!”. Na verdade, gostaria de pedir sua parceria! Podemos estar afastados da escola, porém sua aprendizagem não pode parar! Pensando nisso, estou desenvolvendo algumas atividades para te ajudar a continuar estudando Inglês sem sair de casa. Então, “bora lá” organizar seus horários de estudo!

Hope you are all okay

Reading Comprehension Exercises

Now, read the text:

Bullies

*A bully is someone who hurts others. Bullies usually hurt the same person, again and again, on purpose. There is no typical bully. Bullies can be boys, girls or adults. There are three kinds of bullying. Young bullies usually use words (**verbal bullying**). They call people ugly names and tease their victims. Older bullies often use **physical bullying** – they hit, push, kick and so on. Teenagers often use the third kind, called **emotional bullying**. This means that bullies don't touch the other person but they play with people's feelings. For example, bullies spread false rumours about someone in class. They ignore people or laugh at them behind their back to make the victims feel like they don't belong to the group. Or they may use cyberbullying, which is becoming more and more common. For example, they post photos on the internet. Let's be clear about three things: (1) **bullying is not 'normal'** – it's not a part of growing up; (2) **onetype of bullying is not better than another** – bullying is bullying; and (3) **all bullying is wrong**.*

Reading Comprehension Exercises

Here are some reasons why people bully:

- ✓ *They don't feel very important. Bullying makes them feel more important.*
- ✓ *They have no friends and feel lonely. Many bullies don't know how to make friends*
- ✓ *because no one taught them how.*
- ✓ *They feel bad about themselves. They want to make other people feel bad too.*
- ✓ *They are victims of bullying at home or outside school. Many bullies are bullied.*
- ✓ *They are angry people. When they bully, they let out their anger.*
- ✓ *They need attention. Sometimes they don't get much attention at home – or people only pay attention to them when they are bad.*
- ✓ *They don't think about people's feelings.*

Bullies are not born that way. They learn the habit. They are often sad, angry and lonely people.
